SCHOOL LIFE--CANDID AND COLORFUL

The St. Charles High School students participate in school activities -----

--- As well as in many phases of their community life.

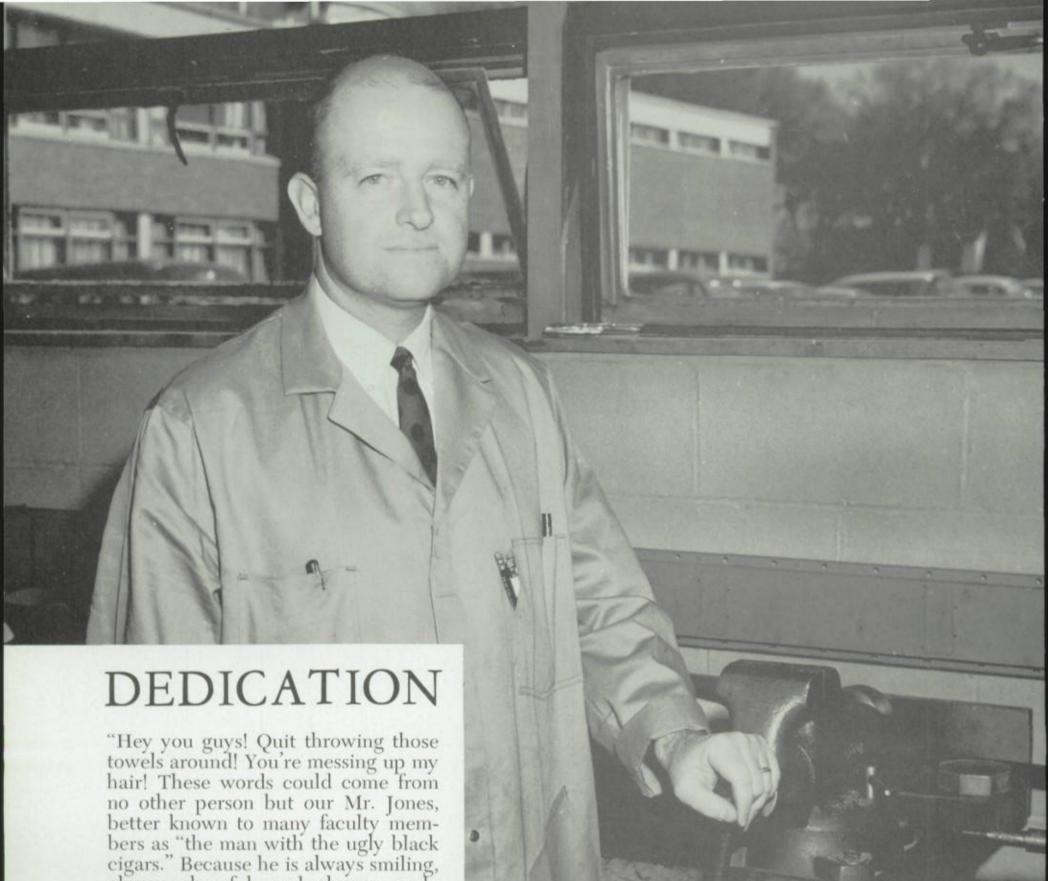

COMMUNITY LIFE---SERIOUS AND SOCIAL

"Hey you guys! Quit throwing those towels around! You're messing up my hair! These words could come from no other person but our Mr. Jones, better known to many faculty members as "the man with the ugly black cigars." Because he is always smiling, always cheerful, and always ready with a joke to crack, he is extremely well-liked by the student body. His experience in sports throughout his high school and college years helped him to be successful as a coach of basketball, baseball, and golf at St. Charles High.

Perhaps he is better known for his guidance work. Because of his outstanding character, he has led many of us through difficult problems. He is continually improving his own education so that we can benefit from this knowledge. Sports and his work in guidance are most important to him as they are to many of us. After eight years of dedicating himself to others, we now can give but little in return: Mr. Jones—our sincere thanks and the dedication of the 1966-1967 Halo to you.

Fighting Saints "Spirit-Desire-Hustle"

The "66" football season may not have been successful from the winloss standpoint, but the boys and the spectators still had fun and gained experience from the campaign. In spite of losing, a large number of fans turned out to watch the games. With thanks to the Pep Club and Cheerleaders, the team played before approximately a total of 25,000 fans.

Numerous honors were also bestowed on the players. Bob Linder won All Conference Upstate Eight honors and Rick Bolleart was also named first team. Tom Majer received special mention, and Rick Davito, Cliff Sandberg and Bruce Jones received honorable mention, also.

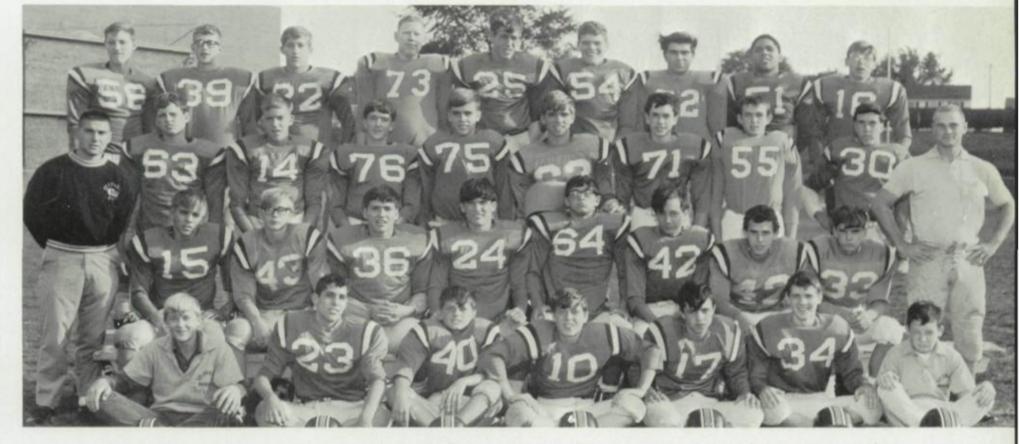

The Saints showed the fighting spirit needed to win football games and they finished the season with their heads high knowing that they had given a 100% effort. With a continued, enthusiastic student body that takes pride in their grid team, with more boys wanting to play football, and with the same team spirit that was witnessed this year, the St. Charles Fighting Saints should have something to look forward to.

3rd-Conference Meet

This year's senior class has established an enviable record in track. Members of the class have established all-time school records in eight track events.

The third place finish in the district meet is the highest in the history of our school, as is number of boys (6) and the number of events (5) in which we qualified boys for the State Meet at Champaign.

Rick Wohlhuter won the State 880 Championship for the second year in a row.

Conference records were established by St. Charles in three events: Bob Linder in the High Hurdles, Jeff Fredricks in the Low Hurdles, and the Mile Relay Team of Tom Stephenson; Peter Holmer; Hal Stamm; and Rick Wohlhuter.

the door is closed. behind it lies the unknown a wonderland of tomorrows; on the other side idles unspent time and the future. perhaps after the door lingers a land of fantasy a dream come true or a hope lost, an answer to existance or a disappointment in the world, a universe dimmed by billowy clouds bovering of uncertainty, waiting to be swept away by Time and only then unveil the secrets of time yet to be. but no one knows for sure what mysteries are being coverted and no throng or no one can reveal the unknown except he who inherits the golden key Patience, won solely by endurance of Time and a keeping faith in a dream.

STUDENT COUNCIL

Our student council has been extremely active this past year with such events as the magazine drive, the Christmas Assembly and Student Teacher's Day. The council, with its new ideas, has contributed a great deal to the governing of our school by regularly attending and participating in both the state and district student council conventions. Few of us will easily forget the smashing success of the Homecoming events which the council sponsored.

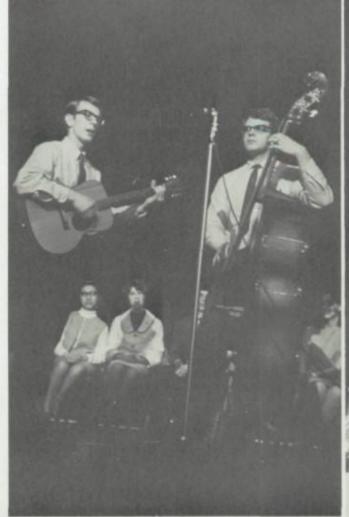

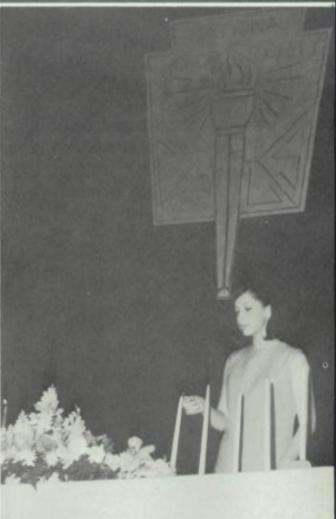

President, Rich Davito; Vice-President, Peter Jones; Secretary Jody Anderson; Treasurer, Dede Bunker.

NATIONAL HONOR SOCIETY

Scholarship, character, leadership, and service are four of the outstanding qualities the members of the National Honor Society have. These students are selected on scholastic ability and then chosen by the faculty on character and service. The Halo is proud to have these people as representatives to our school.

HALO

"Remembered joys are never past; at once the fountain, stream, and sea, they were, they are, they yet shall be." J. Montgomery

This is how we want you to remember the year 1966-67 at St. Charles High School. We give you the Halo so that years from now you can turn back the pages and relive your glorious or not-so-glorious experiences.

Whether this year has been your best or your worst, we on the Halo staff have done our utmost to give you the greatest year book that has ever been. We hope that you agree with us for we are very proud of the Halo. We put hours of work and preciseness into selecting just the right pictures and words with which to express the true atmosphere of our own St. Charles High School. We wish to extend our sincere appreciation to Diane Gubash, our editor, for guiding us in this worthwhile enterprise.

Halo Editors, Names: Diane Gubash, Nancy Jay, Karen Wilke, Pat Johnsen, Linda Campbell, Debbie Price, Jan Johnson, Gary Eckstrom.

X-RAY

This year the X-Ray staff has worked doubly hard to give us our money's worth in interesting gossip and informmation. Begun in 1921, the X-Ray staff has worked hard to attain their goals and it looks like they've certainly succeeded this year.

HONOR STUDY HALL SUPERVISORS

"Sh-sh . . .! Honor study hall is not at work. Actually, it is one of the greatest privileges a student can acquire. It is a pledge of trust between the students and their teachers and only qualified and reliable students are allowed to pass through the screening.

Special thanks is due to Jody Anderson and Tom Majer and the Honor Study Hall Supervisors, a job well done.

MONITORS

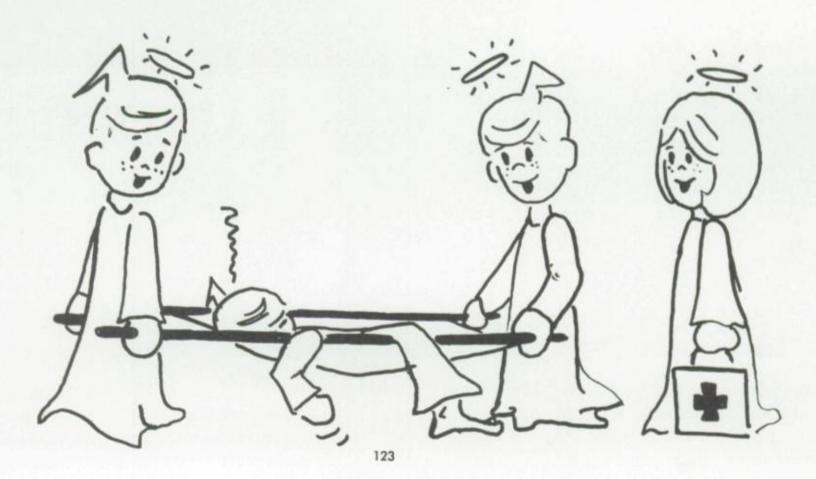

Hall monitors are stationed in the front hall and throughout the school. Students selected as monitors must be dependable, reliable, and trustworthy. They are choosen from study halls each period to carry messages and perform other services for the administrative offices. Monitors also aid visitors to our school and are a tremendous help to the new students each year.

BIO-MEDICAL CAREER CLUB

Want to be a Ben Casey? a Gail Lucas? A Mr. Warner? Then joining the Bio-Medical Career Club is the perfect way to begin. It is one of the newest and most active of all the clubs. Established in 1963, this club investigates various subjects in the fields of medicine, nursing, and biology. The spirit is one of a search for knowledge as well as one of interest and enterprise. Their main projects were a visit to the Elgin State Hospital and to Dixon State Hospital. They sponsored the Take Down-Tip Off dance in December which was quite a success with its "Alley Cat" theme. All these operations were carried out by an excellent staff; President Ginger Maxwell, Vice-President Kathy Ball, Secretary-Treasurer Jeri Fermazin, and Head Shrinker (advisor) Mr. Warner, without whom there would be no successful Bio-Medical Career Club.

PROJECTIONISTS CLUB

The members of this club are well known for their willingness and ability to assist students and teachers with their projector and visual aid problems. Think of all the good films we would have missed if we had not had the able assistance of the Projectionist Club.

PHOTOGRAPHY CLUB

Lights! Camera! Action! The Photography Club is in focus. In their well-equipped darkroom, pictures are developed by the Club for various school organizations. Through their pictures appearing in Valley newspapers, the Photography Club has done a great service for our student body by bringing the many facets of school life to the community. Any Camera bug is encouraged to join by the groups advisor, Mr. Mitchell, and as former members will agree, he will be certain to find it an interesting and rewarding experience.

RADIO-HI FI

WLS is obsolete since the birth of the Radio-Hi Fi Club's own amateur radio station (WADYH) in 1961. With the speed of sound, and a flash of light, "Poof"... this relatively young organization is communicating with countries around the world. "Would you believe...?"

STUDENT LIBRARY ASSISTANTS

Passing grades? Neat in appearance? Cooperative? Considerate of others? Resourceful? Industrious? Of course we're referring to our library assistants. Not only possessing these fine qualities, they also have a willingness to work on a voluntary basis from three to five periods a week. Just imagine what a mess our library would be in without the help of these fine students!

LIGHTING CREW

This group was newly formed this year out of a necessity for trained personnel to run the High School lighting system. Seniors Jeff Greene and Chuck McLaughlin have worked to educate the Supervisor and the underclassman along these lines.

CHESS CLUB

Checkmate! Don't make a move until you read about the Chess Club. This club, though just formed in 1965, has attracted many amateur chess players from our school. After many hours of practice matches under the guiding eye of Mr. Williams, the Club participated in numerous invitational tournaments at other schools. Make a move in the right direction—congratulate the Chess Club for a fine year.

FUTURE HOMEMAKERS OF AMERICA

F.H.A. members, active all through the year, find one of their busiest and most worthwhile times to be around Christmas. The girls collect food, clothes, and toys for a needy family in St. Charles. This is a wonderful example of the true Christmas spirit for all of us. They worked continually to increase their knowledge of home economics by arranging for special speakers to attend their monthly meetings. It is not all work, though—the girls had a great time planning and presenting a fashion show and their annual Christmas party. Being future homemakers, there certainly was no skimping on delicious food at these events. Oh! The calories, girls! Here's to your success!

"Future Farmer turn the sod and never once forget their God." These few words indicate quite a bit about these industrious boys. Not only have they had experience in various productive projects such as swine, dairy, beef, poultry, grain, or corn, but they were also taught how to judge them correctly. It wouldn't be too surprising to find some F.F.A. members in the Forensic League since they are well-versed in parliamentary procedure and also participate in public speaking contests on subjects related to their field. Mr. Marshall has done a good job in guiding these future farmers both in Vo-Ag class and at F.F.A. meetings.

FUTURE FARMERS OF AMERICA

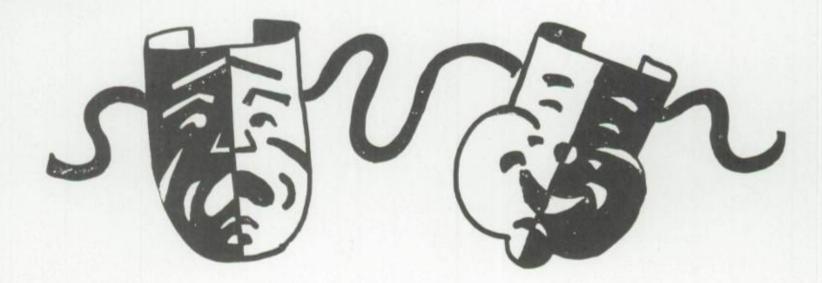

FUTURE TEACHERS ASSOCIATION

DRAMA CLUB

This year after many hours of rehersal your Drama Club staged several outstanding plays, one of which was "An Enemy of the People". These hard hours of work paid off for many of our amateur actors and stage crews who now can proudly claim a Thespian membership. We all owe Miss Nickolich and her assistant directors a debt of gratitude for the culture they have brought to our school.

NATIONAL THESPIAN SOCIETY

"To be or not to be" a Thespian, "that is the question" which confronts each Drama Club member as he tries to earn enought points to become a Thespian members. One point is awarded for ten hours work in dramatics, so one can easily see the amount of work one must accomplish before becoming a Thespian. Under the competent and experienced direction of Miss Nickolich, the Thespian members played major roles in each of the plays presented last year. A big hand for the National Thespian Society!

NATIONAL FORENSIC LEAGUE

Since St. Charles High School is an affiliate member of the National Forensic League, any student having at least twenty-five points in either public speaking, debate, oratory, radio speaking, or extempore speaking, or a combination of these, is eligible for the Forensic League. This group has done great work under Mrs. Jorgenson, their sponsor. A speech of congratulation, which also contains an expression of our confidence in future successes, is in order for the members of the National Forensic League.

INDIVIDUAL DEBATERS

The mouth goes dry, the hands tremble, there is an overruling temptation to run the other way; however, our speech contestants overcome their fear and with their heads high, face the ominous judges and deliver their speeches. Their courage was well rewarded this year. In speech St. Charles ranked fourth in Upstate Eight and third in the District.

The Speech contestants have a wide range of topics and styles from which to choose. These include original oration, serious or comedy reading, poetry, and original monologue. After a successful season which included two invitational tournaments at Wheaton and Niles, Jerri Fermazin, Scott Bergeson, and Margaret Thomas were selected to compete in the Sectional Tournament.

The Drama section of the Speech Club also enjoyed a successful year with their production of "Endgame." Winning both the Upstate Eight and District Tournaments, they went on to place sixth out of twelve schools at Sectional. The cast, which included Anne Allison, Scott Bergeson, Peter Holmer, and Rich Davito, received the added honor of being selected to the All-Conference Cast.

All of the participants who gathered enough nerve to face the judgment whether win or lose, definately deserve a standing ovation from their fellow students.

DEBATE

How many of you have had to drag yourselves from bed at the ghastly hour of 3:30 A.M. on a Friday or Saturday morning? This has occasionally been part of the rigorous schedule followed by debaters. These early hours were necessary for the debaters to attend the many tournaments which they have participated in this year. Some of the larger contests which the debate team entered this year were the Northern Illinois, Southern Illinois, and the University of Illinois tournaments.

The debate club was lucky to have Brian Landers, our foreign exchange student, debate with them this year. He had had much debating experience in England and contributed many ideas to the club.

Other active debaters were Scott Anderson, Sonja Blomquist, Peg Alexander, Nancy Strom, and Dede Bunker, Varsity. Janice Hatch, Debbie Price, Nancy Olsen, and Myrel Cook, Junior Varsity.

LATIN CLUB

"Vigilando, agendo, bene consulendo, prospera omnia cedunt. Vigilance, action, wise counsels—these insure success."

Sallust

No words can better describe the cause of the Latin Club's success than these taken from their own beloved text. Proof of their success? Previously the Latin Club, alias the St. Charles Junior Classical League, has participated in six national conventions and has filled all major district offices as well as the State J. C. L. presidency. And there's plenty of action at monthly meetings where the fall dinner, the annual Roman banquet, and the various activities are planned. And wise counsel? Why, that comes from the excellent leadership of Mr. Devo.

SPANISH CLUB

Arriba, Arriba! Was the motto of last years Spanish Club. They proved it by winning a \$10 prize in the Homecoming Poster Contest. With a supreme effort on the part of the officers, the annual Christmas Party was held in festive Spanish tradition. "Bravo" for Mrs. Bannon, their "El Cid."

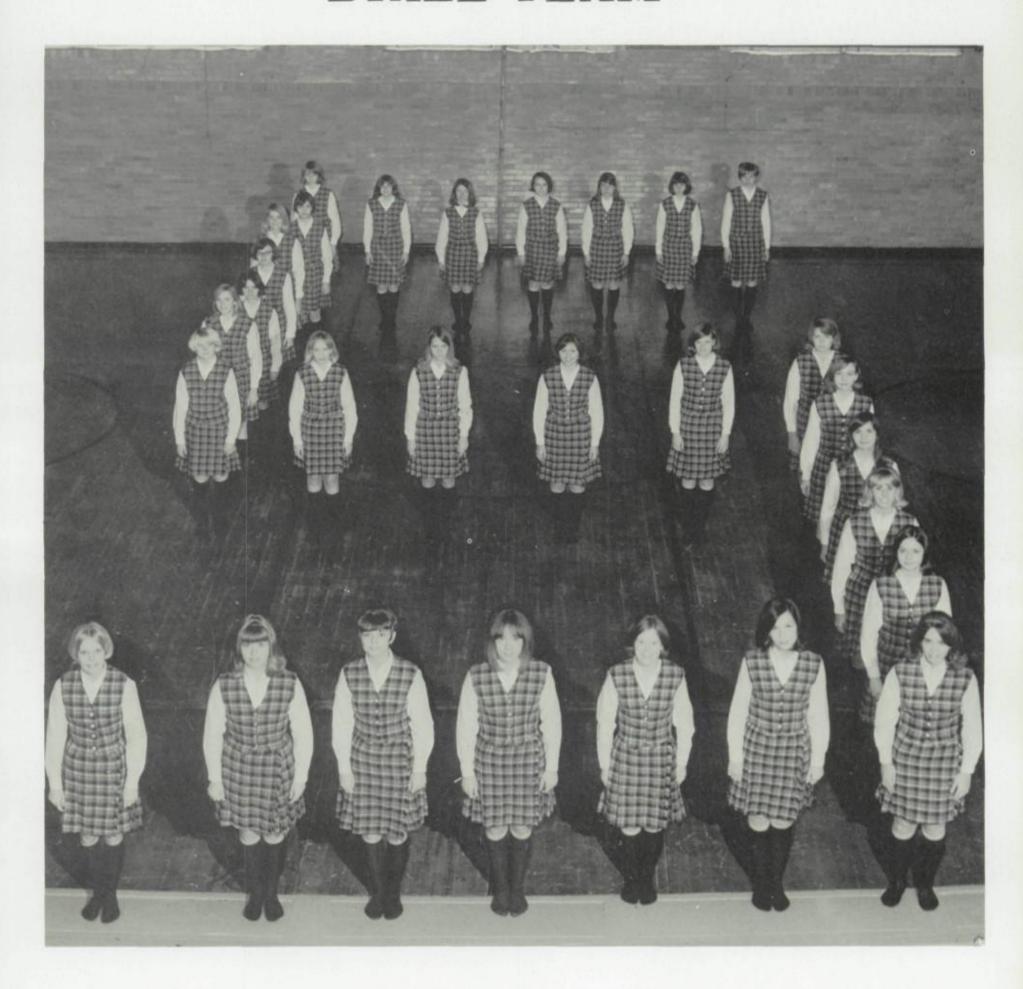

FRENCH CLUB

Under the new management of Miss Weeks Le Cercle Francais has tried to duplicate a French atmosphere through their parties and various activities. Meetings, which are conducted in French, feature films and lectures which center on French customs, people, and holidays, and all those juicy tidbits which one never hears in class. Ask any member, and he will tell you not only "Vive ea France," but "Vive la French Club!"

DRILL TEAM

"To the rear march, step and turn! All right you girls, guide right!" After only a short delay, the Drill Team once again started out on the right foot with the help of Mr. Devoss and the Pep Club. Many times after school one could hardly pass through the halls because there were so many girls busily concentrating on which foot went where, when, and how. As a result of this intense concentration on drill perfection, the student body witnessed many outstanding performances at the basketball games when the team marched. Much appreciation is due for their sponsor, Miss Gillespie, and Kathy Grzesiakowski, their fine leader, for the many hours taken to give our school another terrific and hard working team to be proud of.

G.A.A. Board, Back row: Pat Larson, Sue Wessels, Front row: Candy Gregory, Joan Johnson, and Nancy Law.

Through the Girls' Athletic Association, High School Girls are afforded the opportunity to work with, or compete against, one another in a healthy situation.

Sports, however, are not the only high-light of the G.A.A. program. Big-Sister—Little-Sister initation, a Mother-daughter Tea, the annual smorgasbord and candle-light bowling are just a few activities which crowd the organization's busy calendar.

SOPHOMORE G.A.A.

Happiness is . . . a school with a good pep club. This year has seen one of the best pep clubs ever! They really generated enthusiam with their bigger and better wall displays, and their terrific assemblies. A lot of time and effort went into the selection of appropriate slogans and the making of wall displays and pep posters. If you will remember, the first words written in the Yell Book, which the Pep Club compiled, told us to whom the Book was dedicated: "To our school spirit and those involved in creating it; the cheerleaders, the coaches, the athletic teams, and YOU, the student body!" Just read those words again, but this time start by saying, "The Pep Club is dedicated to our school spirit " and you have a good description of the spirit of our new Pep Club.

POWDER KEG BOARD

With the help of the St. Charles Recreation Department, the Powder Keg Board supplied the kind of entertainment and atmosphere we looked for after exciting games. Held at the Community House, Powder Keg has been and will continue to be a great success—it was "designed with you in mind."

POWDER KEG

The next time an "old Fogey" knocks Powder Keg, quote Channing. "This exercise (dancing) is among the most healthful. The body as well as the mind feels its gladdening influence. No amusement seems more to have a foundation in our nature. The animation of youth overflows spontaneously in harmonious movements." Harmonious? Incidentally, Channing, who lived in the eighteenth century, was an American clergyman! His idea of dancing was not quite the same as ours, but this quote seems more appropriate for the "Frug" than the "Fox Trot". So the place to go after games is Powder Keg—it's good for you!

And if you don't believe us,
We'll yell a little louder!
And thank you, St. Charles,
We couldn't be prouder,
For the support you gave us,
So keep on yelling louder!"

Same to you, cheerleaders, For all those cheers you gave, and as for all us readers, Here's luck to you always!

CHEERLEADERS

One of the most exciting parts of any game is being a part of the cheering which is led by all those cute girls. They did an excellent job of the spirit and enthusiastic support of "our guys." After all the hours of hard practice, let's turn the tables and give them a big cheer—they deserve it!

FINE ARTS CONCERT

PEP BAND

Do you wish to conyour eardrums? Then don't sit in front of the Pep Band! With a loud fanfare followed by an enthusiastic "Charge!", they lead us through basketball games and assemblies. Drumming up real spirit and pep, they gathered great support for our team. The Pep Band is also a team which merits a big cheer and a wish for the continuation of their success.

DANCE BAND

Last year the Swingin' Saints Dance Band provided the music for numerous dances and civic functions. Their fine music, which was a result of long hours of practice, added greatly to the entertainment of the student body.

CONCESSIONS

When you are hungry and your stomach's so empty you can always go—DOWNTOWN. But listen to the Music of the Pep Band playing loudly, And linger in the doorway watching all the great commotion.

How can you go?
The food is much closer here
You can forget all your hunger,
Forget all your pain,
And go Concessions!
Things are much better here.
Concessions!
Everything's waiting for you......

MARCHING SAINTS

"When the Saints come marching in, Oh when the Saints come marching in, We'll all get together and cheer, When the Saints come marching in!"

This song is well-suited for our school since it encompasses the spirit and enthusiam which our band embodies and which the Student Body has for them. Their intricate formations and fine music have gained them respect not only in their school but throughout the community.

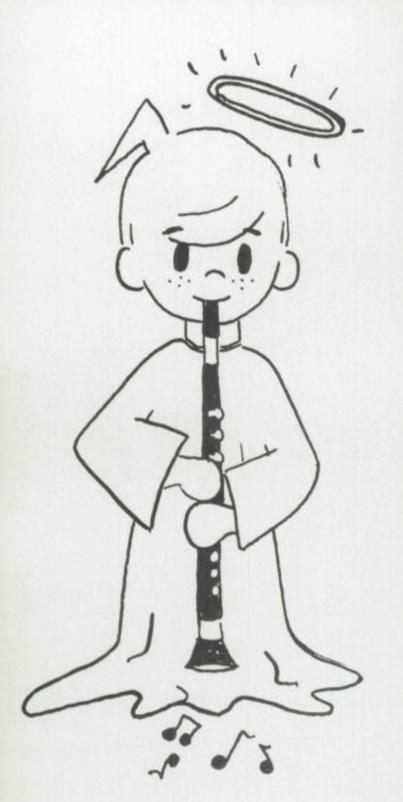

"The 1966 version of the St. Charles Marching Saints now present " and with a blare of trumpets and the boom of drums another half-time show was under way. The voices that warmed all of us freezing football fans during games belonged to Nancy Strom and Peter Holmer. The pride in their voices reflected the pride we have in our outstanding band and team.

Through rain, snow, and freezing weather they played, marched, and entertained us at football games. The end results of their sufferings were interesting and entertaining halftime shows which we could all be proud of. The yearbook staff? Would like to heartily offer them our sincere thanks and a dime for a cup of hot chocolate.

When something goes up it must come down; however, for most of us it usually comes down at the wrong time or in the wrong place. Yet for Lynda Wilkas, Carol Mangum, Peggy Tartar, and Debbie Wilson, our 1966 majorettes, everything fell and twirled in perfect union as they marched. They did a fine job of leading our band across the field at football games this year.

CONCERT BAND

For music the band room is the place. Almost anytime of the day you can hear the notes of some exasperated musical genius struggling within its practice rooms. The excellent result of this exasperation is the Concert Band. Under the direction of Maestroc Cicora, the band brought much needed musical culture to our school through their concerts. Taing part in the Fox Valley and Tri-City music festivals and playing at contest, the band was a fine representative of our high school in the community and state. We wish to thank the band and Mr. Cicora for their excellent performance during the past year.

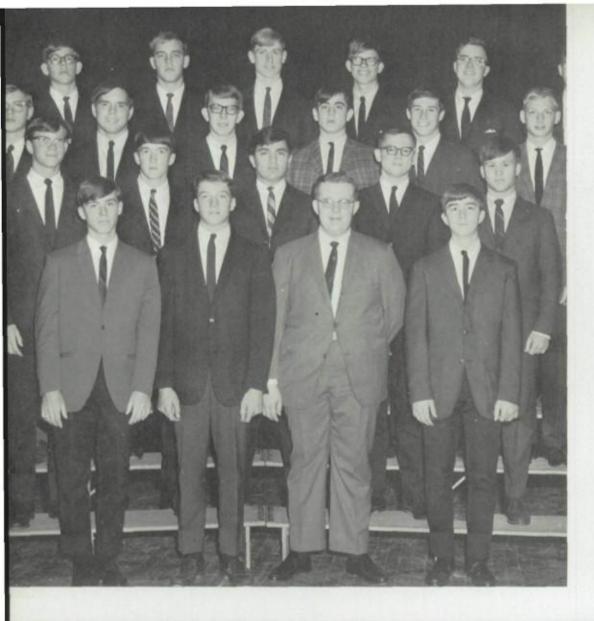

CHOIR

"Ensign Parker" Stouffel and his crew sailed smoothly over the musical waves from America to Siam, and back, ending their maiden voyage safely.

ENSEMBLES

In the choir a sour note may be unheard, but in an ensemble perfection is the key. Thus many long hours of practice and talented voices made up the ensembles of the 1966-67 choir. With a new director and a new spirit, the madrigals, sextets, octets, and quartets of our school culminated their practice with performances in concerts and before various community organizations. Many of them also journeyed to music contest where they garnered honor and respect. Congratulations to the talented members of our ensembles for a highly successful year!
